COCKTAILS

APPLE & KIWI MARTINI

Probably the most famous cocktail in the world. We think that it was created around 1910, in America, and probably based on the Martinez cocktail of the 1860's. We make our favourite Martini with Bison Grass infused vodka and Apple Schnapps. While adding fresh Lime juice and kiwi fruit we make sure of an unforgettable and balanced tasting experience. 19

ESPRESSO MARTINI

Espresso martinis combine two great things in life: strong coffee and alcohol. Garnished with 3 coffee beans, our sophisticated little stimulant is dressed to perk up your day. Our recipe is perfect every time: Freshly extracted organic coffee, vodka, Kahlua & Tia Maria. Including your choice of a flavor hint of vanilla or caramel. 18

MOJITO

(CLASSIC, PASSIONFRUIT, PINEAPPLE & BASIL)

One of Europe's favourite cocktails, Mojito is as simple and tasty as it looks. Our genuine Mojito combines soulful mint with unrefined brown sugar and fresh lime. Carefully muddled and topped off with refreshingly crisp club soda making it a very relaxing and low-calorie drink. Let your imagination play and dare to try a composition from us. Who knows, it might become your favourite one day! 16 / 18 / 18

CAIPIRINHA

It is the national drink of Brazil, where it originated and has long been a popular Carnival drink. Home of beaches, parades and the bikini...it's got to be good. The drink is prepared by smashing fresh lime and sugar together, and adding cachaça. It is one of the most refreshing, easy rum cocktails you will find/ Enjoy our unforgettable refresher! 16

CUCUMBER COLLINS

Have you ever tried a Tom Collins before? Yes? Great, you are about to enter a whole new world with our fresh and crisp version of this classic cocktail. Vegetal, light, and wonderfully aromatic. Thanks to the amazing combination of cucumber and basil, our Cucumber Collins highlights the vegetable's presence in the gin itself—in the best way. 17

MR. HOBSON SLING

Inspired by the classic Singapore Sling developed in the early 20th century, this terrific version will take your breath away. Fabulously sweet with the bite of juniper from the gin and some edge from the angostura, we have a feeling this is sure to be a hit. It fall into the category of delicious. 17

COCKTAILS

WHISKEY & APPLE SOUR

Styled after the classic Whiskey Sour, we developed this Apple Sour recipe to be an enjoyable experience for everyone. It features the real flavour of apple, not some syrupy-sweet, far-too-sour connection that imitates the fruit, a delicate balance that is quite delicious. It's a drink that makes a delightful sipper for a casual weekend, and it's a nice complement to almost any meal. 17

CARIBBEAN DREAM

Our signature cocktail! This delightful recipe consists of Malibu, passionfruit, strawberry, white rum, coconut cream & pineapple juice. It's designed to make you feel the sand between your toes, the sun kissing your skin and the wind in your hair. Your taste buds will be amazed! 19
